CHAPTER 13
CASE NO: 08-70406
JUDGE: Rhodes

**FIRST APPLICATION FOR AWARD OF ADDITIONAL
ATTORNEY FEES IN CH. 13 PROCEEDING PRECONFIRMATION**

Ronald S Siegel, counsel for debtor, pursuant to LBR 2016-1 and 9014-1 (EDM), requests that the court approve an award for pre-confirmation attorney fees. Grounds are as follows:

1. By this application, counsel for debtor seeks approval for (a) compensation for legal services in the amount of \$3,408.00; and (b) reimbursement for the advancement of expenses in the amount of \$52.00. There is no balance of any retainer on deposit with counsel that remains after the payment of any prior fee awards.
2. The time period for which such services are sought is June 17, 2009 through November 25, 2009.
3. The services performed for which compensation is sought are set forth in Exhibit 5. The services rendered for, to and on behalf of the debtor were necessary to maximize the debtor's likelihood of successfully completing the Chapter 13 plan and receiving a discharge.
4. The services were not rendered in connection with an adversary proceeding.
5. The current status of the bankruptcy case is that without the services rendered successful completion of all plan requirements would have been difficult if not impossible. With the services rendered, the case will continue towards successful completion of all plan requirements, and the debtor has maximized his/her chances of successfully completing all plan requirements and obtaining a discharge. In addition, approval of this fee application will have no adverse impact on the timely completion of the plan, nor will it adversely impact any creditors.
6. It is difficult (if not impossible) to predict what (if any) services will be needed in the

future. It appears, however, that it will be necessary to continually monitor and review this case and take action on behalf of the debtor(s) periodically throughout the life of the case so as to maximize the likelihood that debtor will successfully complete all plan requirements and obtain a discharge.

7. There are currently no unpaid administrative expenses in this case.
8. Ronald S Siegel, counsel for debtor, is the only professional or paraprofessional who performed the services for which compensation is sought.
9. This is the first request for post confirmation compensation; accordingly, there are no prior applications. The total fees approved to be paid to counsel for debtor prior to this current application was the sum of \$0.00 and \$0.00 for expenses for a total of \$0.00 paid directly by the debtor or through the Chapter 13 plan by the Chapter 13 Trustee.
10. Debtor has been provided with a copy of this application seven (7) days prior to the filing of this application (and therefore has had an opportunity to review the application), and has been requested to concur with the fees and expenses requested. A copy of the request for concurrence is attached as Exhibit 8. If concurrence has been received by counsel for debtor prior to the filing of this application, it is attached hereto as exhibit 9; otherwise exhibit 9 is the unsigned concurrence that was sent to the debtor.

WHEREFORE, counsel for debtor petitions this court for payment of post confirmation attorney fees and costs as an administrative claim through the Chapter 13 Plan in the amount of \$3,460.00 for a total compensation of \$3,460.00, counsel for debtor having previously been approved fees in the amount of \$0.00.
